

Ledgeview Zoning Board of Appeals

Step 2: The Town Clerk will schedule a Zoning Board of Appeals (ZBA) hearing

After all necessary materials and fees have been submitted, the Town Clerk will place the item for action on the next ZBA hearing and notify the public via an official notice.

Step 3: ZBA hearing

Members of the public are able to state their support or concerns about the variance request. Attendance by the petitioner is not required, but is strongly encouraged.

Step 4: ZBA action

A decision will be made by the ZBA to either grant or not grant a variance based on a number of factors including type of variance, hardship incurred, and current regulations in place.
