

Public Art Call for Artist(s)

Call Type: Public Art Trail Paintings

Eligibility: Regional

State: Wisconsin

Entry Deadline: 4/11/22

Total Project Budget: \$2,000.00

Budget Description:

The artist or team selected will receive a \$2,000 honorarium to cover transportation and lodging, site preparation, installation of trail paintings, and final clear coating, materials, labor, and any other costs associated with artwork installation through completion.

Project Details:

The Town of Ledgeview believes that public art can enhance the character of our community, and beautify and invigorate our public spaces. The Beautification Committee recognizes that public art creates a vibrant atmosphere that contributes to the quality and cultural identity of our community. We will work to promote art in Ledgeview which encourages cultural expressions, promotes our unique natural beauty, and inspires a sense of civic pride. The Town of Ledgeview is looking for an Artist to work with us to carry out this mission. The Town of Ledgeview is placing a call for entries for a series of 2-3 trail paintings located on the East River Trail located at the Creamery Road entrance of Ledgeview Park (3750 Creamery Road, De Pere, WI). The Town of Ledgeview's Beautification Committee continues to work on our public art program with an extremely successful trail painting project in 2021.

The design must be unique to this project. Materials used should be able to withstand regular foot and non-motorized wheeled traffic, and stand up to all the weather elements common to northeast Wisconsin. Painting materials must be able to withstand washing/maintenance for graffiti removal. All paint and sealants must also have a non-skid/non-slip grit additive included with all paint mixes. The Town's preference is for a clear-coating that includes a warranty. Paintings must be maintained for 2 years.

Only proposals that are complete at the time of submission will be considered. If any portion of the proposal is incomplete, the individual/team will be disqualified.

Selection Information:

A panel will review the submissions and work will be selected based on the following:

- Expression of some kind of theme
- Clarity of vision, organization, and realistic completion expectations
- Quality and strength of work
- Durability and longevity of materials used
- Ease of maintenance
